

### Leros, Dodecanese, Agia Marina

Traditional maisonette in Leros island which is in Dodecanese complex. The house is totally renovated and is located in Agia Marina offering great sea view. It is a 2-storey house of 100sqm with beautifully arranged inside yard with pergola and great veranda with view to the sea and the Castle, just 150m away from the sea. Finest wood has been used in the ceiling, stairs and door frames. It was an old traditional house that has been fully renovated in 2000. It consists of 2 bedrooms and 1 bathroom and is ideal for living throughout the year. It is equipped with air conditioning and has transportation access nearby. It is currently used as a licenced rental house with great success so it could be used as an investment as well.
